

Celebration Treats List

ALL classrooms at Las Brisas Elementary are nut-free areas. This includes foods processed in a factory that also processes nut-containing foods. Unfortunately, most bakery items, including cupcakes and donuts, are included in this group of foods so they are not allowed. Of course, we welcome fresh healthy foods, such as fruits and vegetables, however, if they are not whole, they must be commercially packed for safety reasons. This includes meat and cheese trays. Individually packed fruits, veggies, and snacks are a great idea too!

To keep all our students safe at school, if you choose a baked or processed celebration treat to be shared in class, it must be one of the following:
